

SOUP! – How it works

SOUP! is a powerful tool to start conversations, enjoy yourself, make new contacts and improve where you live.

At each SOUP! lunch there are four presentations on local Wells projects. These range from charities, culture, regeneration, community, social justice, social enterprise, education, to technology and more.

Each presenter has four minutes to share their idea, showing how it will benefit the Wells community. No PowerPoint or other technology is allowed, but passion is welcome! Audience members can ask each presenter up to four questions about their project.

After the presentations, the audience is encouraged to discuss and debate before voting. They then vote on which project they think will benefit Wells and the surrounding area the most. Whichever presenter gets the most votes wins half of the money collected at the door, to support their project going forward. This can be as much as £350, including match-funding by sponsorship from a local business. The runners-up share the other half. So, all four go away with new funds but most importantly have been given a platform to spread their word!

The winning good cause is invited back to a future SOUP! to share what has been achieved due to the funding and the impact SOUP! has had.

SOUP! Support

Wells SOUP! is supported by Fresh & Good, Wells Blue School, Burns the Bread, Morrisons and Bishop's Eye – all of whom provide the food and beverages – and Mickey in the Market the flowers for the tables.

We are also extremely grateful to the companies who have 'match funded'/sponsored SOUP!:

Basil Powell Shoes, Belleview B&B, Bishop's Eye, Bowleys Garage, Burns the Bread, Charlie Bigham's, Changing Rooms, Chubb Bulleid, DH James, Greenslade Taylor Hunt, Idetox, Lodestone Estate Agents, Old Mill Accountants, Pilgrim Financial, Probusiness Accountants, Protec, RMW Knight Surveyors, Somerset Community Foundation, Studley Jewellers, Swan Hotel, The Laundry, Twenty One Café & Kitchen, Wells Business Centre, Wells Funeral Services, Wells Health Practitioners.

Please email soup@wellsindependents.org if you have any queries about SOUP!
